## STATEMENT OF WARRANTY

Tuff Torq Corporation warrants that TTC Products shall be of good quality, reliable and free from defects in material and workmanship. TTC will repair or replace, free of charge, any part or parts of the product that are defective in material or workmanship or both. This warranty is effective for the time periods and subject to the conditions provided for in this policy. Transportation charges on parts submitted for repair or replacement under this warranty must be borne by the purchaser.

***NO OTHER EXPRESS WARRANTY EXISTS. IMPLIED WARRANTIES, INCLUDING THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE LIMITED TO TWO (2) YEARS FROM DATE OF PURCHASE, OR TO THE EXTENT PERMITTED BY LAW ANY AND ALL IMPLIED WARRANTIES ARE EXCLUDED. LIABILITY FOR CONSEQUENTIAL DAMAGES UNDER ANY AND ALL WARRANTIES ARE EXCLUDED TO THE EXTENT EXCLUSION IS PERMITTED BY LAW.***

### **1. Warranty Period (Months) per chart below:**

<u>Equipment Type</u>	<u>User Type</u>	<u>New Equipment</u>	<u>New Product/ Used Equipment*</u>	<u>Service Parts</u>
Walk Behind Mower	Residential	24	12	3
Walk Behind Mower	Residential in Commercial	3	1	1
Walk Behind Mower	Commercial	12	3	3
Lawn Tractor	Residential	24	12	3
Rear Engine Rider	Commercial/Residential	24	12	3
Garden Tractor	All	24	12	3

\*Note: Warranty is only applicable to TTC products used to replace original equipment products of exact same model,

When service parts are used to repair equipment, the original warranty period is still in effect. The exception would be when the original warranty period has fewer than (3) months before expiration and then the warranty period would be extended to the line (3) month period (starting from the date of repair).

### **2. Non-Warranted Conditions or Items:**

- 2.1 Any failure not caused by defects in material or workmanship including but not limited to:
  - a). Incorrect installation.
  - b). Misuse, overloading beyond approved specification, negligence, or accident.
  - c). Modification without prior approval from TTC.
  - d). Non-use of TTC genuine parts for repair.
- 2.2 Consumable and/or normally wearing materials such as lubricants, grease, brakes etc.
- 2.3 Costs of normal periodic maintenance.
- 2.4 Resale of Original Equipment Manufacturer (OEM) product by the first retail purchaser.
