NOTES:

Models are listed by kilowatt range (generators) or horse power (engines). Older units are listed first.

1- Generators with air maze intake hoses.

2- Water separator.

4- Standard filter. If your unit is equipped with "Air-Sep" filter, please consult factory.

5- Also requires coalescer 24-26808 for oil mist.

C/F - Consult factory for correct part number.

Northern Lights, Lugger and Technicold brands are manufactured by Northern Lights, Inc.
