Top Speed:	32 Knots
Propeller Size:	21
Technician Name:	Russell Mulder
Date of Operational Check:	15 th May 2020
Sold by:	Martin Cook
Repower Installation Completed by:	Power Equipment NZ

Comments:

Engine bay ancillary components refurbished (fuel filters, sea strainers), also reconfigured for better service accessibility. Electrics upgraded. New batteries and cabling. New bilge pump systems and wiring. Existing Bravo stern legs and steering overhauled and serviced. Very happy owners now having a reliable boat to use
