Comments:

Recreational fishing vessel located in Broome, WA.
 2 x FHM 300hp with Bravo 3X replaced.
 Improved speed by approx 6 knots. Improved cruising speed for less fuel usage
 Superior fuel economy. Longer range, lower noise.
 Yanmar dealer Stem 2 Stern Marine Services supplied & installed custom instrument panels to compliment this excellent repower installation.

Disclaimer: Power Equipment provides this Performance Report for general information only. This data is accurate only as to the exact date, time and specifications set out in this Report. OXE makes no warranties as to the performance or fuel consumption of any boat equipped with a Yanmar engine as numerous factors affect actual performance of an engine.
